

### The USA PATRIOT Act

To help the government fight the funding of terrorism and money laundering activities, Federal Law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means to you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. This information is subject to verification. If we are unable to verify your identity, we reserve the right to close your account or take such other steps as we deem reasonable.

Sections 1 and 2 must be completed and the information provided will be verified as required by the USA PATRIOT Act. Failure to complete these sections may result in the rejection of your application.

### Notice for Non-U.S. persons:

The Funds generally will not accept investments from foreign investors (e.g. foreign financial institutions; non-U.S. persons). The Funds have instructed their transfer agent accordingly. If the Funds do accept such investments, the Funds are expected to conduct enhanced due diligence on such foreign investors as may be required under Section 312 of the USA PATRIOT Act and applicable Treasury or SEC rules, regulations and guidance (if any).

### Notice to all shareholders

In compliance with applicable state laws, your property may be transferred to the appropriate state if no activity occurs in your account within the time period specified by state law.
